

Pitch for the Parcel

Final Call for Development Proposals:

The Hart Tax Increment Finance Authority (TIFA) is extending a final invitation to all interested parties to submit an application outlining their development vision for the property located at 408 S. State Street in Hart, Michigan. This site includes a church, residential home, and former nursery building, offering a unique opportunity for revitalization.

Following a review of all submissions, three applicants will be selected to present their proposals before the TIFA Board. One proposal will be chosen, and the selected applicant will be granted the opportunity to acquire the full property for \$1, contingent upon a commitment to meaningful redevelopment.

This is a rare opportunity to contribute to the next chapter of a historic property in the heart of Hart. Interested individuals or organizations are encouraged to **apply by April 10, 2025**.
